

Writing Embedded LN Learning Outcomes

Instructions

1. **Frame** the learning with an action verb. E.g.

<i>Remember</i>	<i>Identify</i>	<i>Complete</i>	<i>Select</i>
<i>Understand</i>	<i>Explain</i>	<i>Summarise</i>	<i>Outline</i>
<i>Discuss</i>	<i>Apply</i>	<i>Carry out</i>	<i>Demonstrate</i>

2. **Target** the specific literacy skills for your training intervention. E.g.

- *decoding strategies*
- *specialised (or technical) vocabulary or terminology*
- *academic words*
- *a variety of sentence structures and paragraph structures*
- *an understanding of specialised text types*
- *awareness of rhetorical patterns in the text*
- *reading comprehension strategies*
- *language features used for a specific purposes*
- *writer's purpose*
- *critical reading strategies*

3. **Contextualise** the learning in terms of the specific subject or narrowly defined training content. E.g.

- *dermatology for hairdressing*
- *basic tool identification for building and construction*
- *plant propagation*
- *workplace health and safety instructions*
- *following instructions on how to mix agricultural sprays*
- *employment agreements*
- *french vegetable cuts*
- *basic food safety*
- *listening to a short introduction to electricity supply networks*
- *vehicle logbook entries*
- *accident reports*
- *preparing for an assessment or an exam*
- *understanding instructions to complete a task or undertake a process*

Example 1

Action verb	<i>Demonstrate</i>

Action verb	<i>Select</i>
Specific literacy skill	<i>a variety of sentence structures</i>
Specific vocational training content	in the context of <i>writing accident reports</i>

Example 1

Action verb	
Specific literacy skill	
Specific vocational training content	in the context of

Example 2

Action verb	
Specific literacy skill	
Specific vocational training content	in the context of

Example 3

Action verb	
Specific literacy skill	
Specific vocational training content	in the context of

Example 4

Action verb	
Specific literacy skill	
Specific vocational training content	in the context of

Example 1

Action verb	
Specific numeracy skill	
Specific vocational training content	in the context of

Example 2

Action verb	
Specific numeracy skill	
Specific vocational training content	in the context of

Example 3

Action verb	
Specific numeracy skill	
Specific vocational training content	in the context of

Example 4

Action verb	
Specific numeracy skill	
Specific vocational training content	in the context of
