

How to write your own learning outcomes

For Reading

Instructions

1. Choose one item from each box and then add your own context.
2. Write out a final draft of the learning outcome below.
3. If you need to, make any changes to ensure your learning outcome is specific to the reading skills you want to teach and assess.

Remember	
Identify	decoding strategies
Recognise	everyday vocabulary
Describe	academic vocabulary
Understand	technical vocabulary
Explain	knowledge of language and text features
Discuss	comprehension strategies
Apply	critical reading strategies
Use	
Demonstrate	
in the context of...	

Here's my idea for an reading outcome
