

Planning resources to support your teaching activities

Take some time to brainstorm your ideas for resources. These should support your learning outcomes and the kinds of activities you want to do with your learners.

This worksheet is not assessed, but you can use it to take notes if you want to.

Literacy

I could design a set of cards for matching up words and definitions that relates to...

I could extend this with a resource for...

One of the texts my learners struggle to read and understand is...

I could create a set of comprehension questions for...

What If I made a game that...

Another idea could be...

Numeracy

I could use the Place Value charts with my learners to...

I could follow up this work with...

I could use the Hundreds Grids to...

And I could follow that up with...

What if I made a game for...

Another idea I've been thinking about is...
